

Nimble Thimble Quilters

1st & 3rd Wednesdays, 1:00 pm
Steeple Center, Room 202

Do you have an interest in quilting or sewing? If so, you need to check out the Nimble Thimble Quilting Club! This is a social learning group, and all skill levels are welcome! Participants are asked to bring their own supplies and projects. This provides an environment to work on those projects in the company of others with a common hobby. Help spread the word and bring in your quilting friends!
