

CAMPAIGN SIGN REGULATIONS

Please follow the regulations for sign placement compliance. Signs that are in violation may be subject to removal.

- According to Minnesota State Statute 211B.045 Campaign signs may be posted in any size or in any number beginning 46 days before the state primary in a state general election year until ten (10) days following general election and thirteen (13) weeks prior to any special election until ten (10) days following the special election. It should be noted that this exemption from the City's size and placement standards shall not be construed as relieving the owner of the campaign sign from the responsibility of its erection and maintenance, and its compliance with the other provisions of the Sign Ordinance or any other law or ordinance regulating the same.
- Campaign signs are permitted in all zoning districts.
- Campaign signs may be placed on private property only after receiving permission from the property owner.
- Campaign signs are not allowed on public (i.e. city, county, school, state) owned property, including street and highway right-of-ways.
- Except in the DT-Downtown District, campaign signs shall be setback a minimum of 10 feet from any property line. No sign shall encroach upon any right-of-way, easement or sight triangle pursuant to City Code 11-8-4.C.
